

For more than 50 years the buses and coaches lend the most varied services in the environments of the daily life, and, in Galicia, for our orography and great quantity of population, the bus has an enormous importance in the daily life.

It is for that reason that more than 30 companies of the sector of the transport of travelers by road **unite** to make a great group: **TRAVIBUS**, that is born with a clear vocation of the service and attention to our clients.

In **TRAVIBUS**, we always look for the excellence in everything that we make, because this way we can guarantee the success in the result. We get this way what is more important for us: **the satisfaction of our clients.**

We are firmly convinced that **TRAVIBUS** is a great future bet to the service of the transport of travelers.
